

ABOUT US

Our 39 members currently form our four guards. Our cadet guard is comprised of our younger members, those that are new to the sport or have little to no experience. Our RA guard is made up of members that have learned the fundamentals of the sport but are beyond the cadet level; this guard focuses on the technique of the sport. Our A1 guard is made up of members that excelled in the RA program; this guard focuses on readying members to advance to our IA guard. Our IA guard is our elite guard where all years of practice/training come into play.

WHAT IS WINTERGUARD?

Winterguard is a combination of the use of flags, sabers, mock rifles, and other equipment, as well as dance and other interpretive movement.
